Forecast For London & Southeast England
Issued by Met Office Exeter
at 0400 on Tuesday 23 Feb 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Fine and dry, with some sunshine today. Breezy and mild.

Today:
Early low cloud and fog patches will soon clear to leave a fine and dry day, with sunny spells for most. It will be a breezy day, although it will stay on the mild side. Maximum temperature 15 deg C (59 deg F).

Tonight:
Overnight will remain fine and dry, with variable cloud amounts and clear spells. It will be a windy night, locally gusty at times, mainly on coasts and hills. Staying mild. Minimum temperature 10 deg C (50 deg F).

Wednesday:
Wednesday will be largely fine and dry, with some sunny spells. Cloud will increase from the west later, with some rain arriving overnight. A windy and very mild day. Maximum temperature 16 deg C (61 deg F).

Outlook for Thursday to Saturday:
Cloud and some outbreaks of rain will slowly clear southeastwards on Thursday. Turning increasingly settled on Friday and Saturday, with most places dry with sunny spells. Mild overall.
